Jessica Silverman is pleased to present *Dignified Forms*, a group exhibition featuring eight works that have poise, self-respect and a gracious roughness. Riffing on the nuanced aesthetics of diverse identities, the show features Sadie Barnette, Andrea Bowers, Matthew Angelo Harrison, Isaac Julien, Dashiell Manley, Hayal Pozanti, Rose B. Simpson, and Catherine Wagner.

8-bridges is named for the eight bridges that cross the San Francisco Bay. The fourth edition of the gallery platform is now live with exhibitions by: Altman-Siegel, Fraenkel Gallery, Jessica Silverman, and Ratio 3.
